

FISCAL NOTE

HB 211 - SB 1068

February 16, 2007

SUMMARY OF BILL: Requires all new construction or renovation to comply with the accessibility standards in the 2003 International Building Code and the American National Standards Institute guidelines.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures - \$17,200

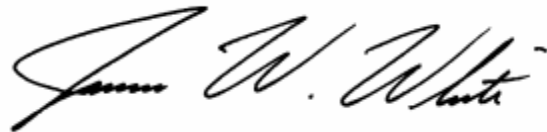

Increase Local Govt. Expenditures – Not Significant

Assumptions:

- An increase in state expenditures of \$17,200 for training of approximately 40 to 50 inspection personnel and new code books.
- Only local governments that have adopted building codes would be required to comply with the provisions of the bill.
- Any administrative cost for local government inspection departments to include these guidelines is estimated to be not significant.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, appearing to read "James W. White". The signature is fluid and cursive, with the first name "James" written in a smaller, more compact script than the last name "White".

James W. White, Executive Director
